### *Washington Winery of the Year*

“Through the years, Kiona has quietly built a reputation for delicious wines at fair prices. Critics obviously agree.”

“It could be argued that the Williams family’s work on establishing Red Mountain’s reputation for wine quality is responsible for Red Mountain’s reputation.”

“Kiona is a winery steeped in the pioneering spirit on Red Mountain. Kiona literally plowed the road for others to follow and continues to guide the way with high-quality viticulture and winemaking over nearly five decades.”
