

Kiona Vineyards and Winery

RED MOUNTAIN AVA

2012

ESTATE RED MOUNTAIN Sangiovese

RED MOUNTAIN ORIGINALS

In 1975 our family planted the first vineyard on Red Mountain, an area now known for producing some of the world's most powerful, opulent wines of distinction. For three generations we've worked side by side, hand in hand to craft exciting, vineyard-driven wines that capture the essence of Red Mountain.

VINEYARD PROFILE

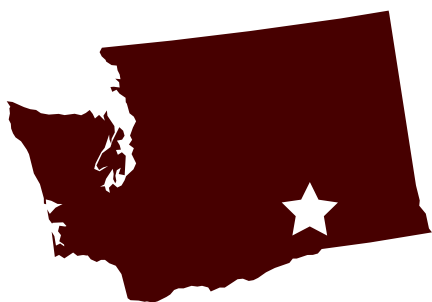

We grow Sangiovese at both the Kiona Estate vineyard (2 acres) and the Ranch at the End of the Road vineyard (3.5 acres) on Red Mountain. Although not planted in large quantities in our area, it excels nonetheless. Big diurnal temperature swings and lots of heat accumulation amount to ripe fruit with ample, well-balanced acidity.

WINE PROFILE

Sangiovese is an extremely versatile grape that has near universal appeal for red wine drinkers. On Red Mountain, the wines are racy and bright, with vibrant red fruit and trademark minerality. Its ample acidity makes it a food-pairing superstar, able to complement a wide array of cuisines from around the world.

VINTAGE NOTES

The 2012 vintage was an exemplary year on Red Mountain. Lots of heat units ensured full ripening, with the wines showcasing ripe, round fruit characteristic and incredible balance.

STATISTICS

APPELLATION //

Red Mountain, Washington

VINEYARD SOURCES //

Ranch at the End of the Road, Kiona Estate

VARIETAL COMPOSITION

100% Sangiovese

BARREL TREATMENT //

24 months, 75% neutral, 20% once-filled blend, 5% new French
