Drink: 2015-2017

2013 Kiona Cabernet Sauvignon

The 2013 Washington State Cabernet Sauvignon, which includes 7% Merlot, 4% Malbec and a splash of Petit Verdot and Cabernet Franc, offers terrific notes of blackcurrants, plums, wild herbs, tobacco leaf and smoke to go with a medium to full-bodied, ripe, forward, textured profile on the palate. It will need consuming in its relative youth, but there's lots to love here and it has surprising elegance and polish at the price.
